

Shriners International, also commonly known as The Shriners, is a society established in 1870 and headquartered in Tampa, Florida, USA. It is an appendant body to Freemasonry. We are a fraternity based on fun, fellowship, and the Masonic principles of brotherly love, relief, and truth. We are 350,000 members strong and growing! Best known for the red fezzes that we wear, our pride and joy are the 22 Shriners Hospitals for Children that provide care for children with disabilities. I AM a proud Ziyara Shriner will you join me to help support our mission?
